The Activities Department is currently looking for friends who would like to donate their time, energy, and experience, in a variety of areas. The utmost requested activities from seniors across the globe would be, MUSIC, and CHILDREN. The very "SOUNDS" you hear every day, is not heard frequently by seniors. A child's singing and laughter is uplifting and can heal us if we simply take the time to listen to the splendor God has put right in front of our eyes. Each and every one of us is provided with a talent. Our daily routines could be a treasure for others. Please consider making a difference, by devoting one hour of your time each week, once a month, or a one time only. Visit. The list below is just the tip of what we can do together to make Woodholme Gardens Reign with Activities.

- One on One readers
- Guest Reader needed each Month
- Word Games
- Arts and Crafts
- Exercise
- Singing along
- Scrapbooking.
- Religious events
- Holiday Help
- Cultural events
- Movie Night – Serving popcorn and refreshments.
- Bingo Callers
